Request for Feedback: What are your thoughts?
- JLD Board Reports, JLD Broadcasts, Yahoo group mailing list, Facebook, LinkedIn (Request for transfer of Yahoo Groups to Google Groups)
- Request for follow-up on Facebook Messages regarding contact of events/dinners, etc. the

Requests for speakers/topics at ATA61
- Audio Visual Division – New members have increased, joint session with AVD, Session about AVD work in Japanese
- Certification workshop
- Make sure to review the sessions!

- HQ Broadcast – Ask HQ to tell us how many new members are to let them know about the newbie-oriented events
- Session related to the Tokyo Olympics (what went well, what is wrong, etc.) – Andrew Meehan
- Reminder for persistence in the case presentation is rejected: we keep information on file
- Will find out about how to change over to a new platform for messaging
- Will ask Patricia Pringle about ideas to make sure communication needs are met. Marceline also a good contact for transition.

Introduction of the new website (Thank you Katrina!)
Requests for articles for the JLD Times
Announcement of IJET for Fukuoka and (possibly) Toronto by Paul

Open Discussion
- Trends towards Machine Translation (is this is a current trend or will it stay?)
  - Machine translation tends not to follow well with technical documents or documents with longer sentences

Announcement of the Annual Networking Dinner

Adjourn
